Dear Joanna Schmitt:

Thank you for your inquiry. My brother-in-law who is only 44 died last night from brain cancer. Our family has been very tied up taking care of my brother-in-law, his wife and his three young children. We are in the process of making funeral arrangements. As you can imagine this has overwhelmed all of us. We are a very close family and I am sure you understand that this situation has interrupted all of my work including your request. Thanks for your patience.
